

VOXEL BS1061

DESCRIPTION

Wireless speaker made from recycled aluminium and a cork base, combining sleek design with sustainability. With Bluetooth 3.0 connectivity, this speaker lets you enjoy your favorite music wirelessly and with exceptional sound quality. Despite its compact size, this speaker offers 3W power, providing crisp, immersive sound. In addition, we include a Type C cable for easy charging. We are proud to present this speaker in an eco-designed box, in line with our commitment to reducing the environmental impact. We value the use of sustainable materials such as recycled aluminium and cork.
