

COMIX FI1998

1,3L

DESCRIPTION

Lunch box with a 1.3 L capacity made from PP, featuring three independent compartments of different sizes that keep food separated at all times. Additionally, these sections are part of a removable main compartment, leaving space at the bottom to store the included fork and spoon. It features a flip-up lid with an anti-drip closure thanks to the silicone lining on the inside. This mechanism helps keep food in optimal condition during transport. Additionally, it includes a separate inner compartment for carrying sauces or other condiments.
