

LIRIA TZ1160

480 ml

DESCRIPTION

The stainless steel mug with outer copper coating and gold handle is an elegant and sophisticated choice to enjoy your favourite drinks with a capacity of 480 ml. Stainless steel guarantees its durability and strength, while the outer copper coating gives it a distinctive and elegant look. The golden handle adds an extra touch of style, allowing you to hold the mug comfortably and with a touch of sophistication. In addition, the outer copper coating not only gives it an attractive appearance, but also helps to keep the temperature of your drinks for longer. Whether you want to enjoy a hot drink in winter or cool down with a cold drink in summer, this mug will meet your expectations.
